# Food Assistance Programs for Seniors

Getting enough food can be a challenge for many Indiana seniors. Finding the nutritional support you need to stay healthy is easier when you have the support you need. Several programs operate throughout the state that can deliver meals to your home, provide groceries for you to cook at home or issue financial aid to help you buy food of your own.

## Meals on Wheels

Meals on Wheels delivers prepared meals you can keep in the refrigerator and heat up as you need them. Volunteers deliver meals in their own cars, and most programs include some secondary benefits, such as daily check-in service.
